Baltimore, Md. - Design Collective is the corporate sponsor for the 2007 Baltimore Architecture Week. A variety of lectures, tours, and artisan workshops are planned for the fourth annual Architecture Week. On Friday, October 19, AIA Baltimore will cap off the week's activities with their annual Excellence in Design Awards and Beaux Arts Ball at the award-winning Stewart's Building. Several Design Collective employees will be on hand at the Stewart's Building to give tours of Catholic Relief Services, which relocated to the building in July, and to talk about their experience designing the new world headquarters.
